SPECIAL BEACH

Joan's

There's a beach out on Long Island called Jones Beach. I don't know who the eponymous Mr. or Ms. Jones was, but when I was a child, growing up in Queens (a borough of New York City), Jones Beach was the family's favorite get-away-for-a-day destination...and my personal favorite for a different reason.

You see, when my parents would say, "Let's go to Jones Beach," I heard it as "Let's go to Joan's beach." I thought it was my very own spot, my beach. Joan's beach.

And over the years, my love for the place remained. Long after I saw the name in print, realized my error, and understood the beach wasn't my beach with my name at all, I still loved to go there. Still loved to walk the beach, shuffle my feet through the warm sand, wiggle my toes, and try to feel the individual grains. Still loved the warm, soothing sun infiltrating my pores and seeping into my soul, recharging my batteries and comforting my woes.

So it's no wonder that I felt myself drawn to go to Jones Beach one day in October, when nothing seemed to be going right in my world. My best friend had moved to Vancouver the week before, leaving me feeling even more bereft than I already did in the wake of a break-up with my last lover over two months earlier. I'd lost my job—a job

that, admittedly, I hated, but that still paid the mortgage and put food on the table. And I seemed to have no prospects on the horizon for a new job, a new best friend, or a new lover.

The day was cool and windy, hardly beach weather, but I needed some solace for my soul, and Jones Beach was calling me. So I went.

I had the beach almost to myself. Few others were hardy—or foolish—enough to head to the beach on such a day. I started walking, at first fiercely kicking the sand and letting a lot of pent-up anger out of me. Then, as the beach worked its never-failing magic on me, I slowed my pace, ceased the kicking, and began to dig my feet into the sand and luxuriate in its silky graininess.

The sun was warm but the wind was chilly, and I decided to turn around and slowly head back in the direction I'd come from. A cloud bank was scudding rapidly toward the sun, and I figured that even if it didn't rain, it might grow unpleasantly chilly. Besides, if there was no sun to soak up into every cell of my body, more than half the pleasure of the beach would be missing.

I was almost parallel with the parking lot when I saw her. She was lying on a blanket, which she'd pulled up and around herself, so that only her face was getting any

rays. And that face was twisted in a bit of a grimace as wind-blown sand stung her cheeks repeatedly.

I was still debating whether to comment, “You’re putting up with a lot just to get a little post-season tan,” when she apparently sensed that someone was near and squinted open her eyes. Looking startled, she made a move to sit up, aborted the process, and lay back down again.

“Hi,” she said hesitantly.

“Hi yourself,” I responded, hunkering down, and I made the observation I’d been debating saying a minute ago about her enduring a lot to get a tan.

“I have a wedding to go to later this month, and I want to look good for it,” she said ruefully. “The things we do for beauty.”

“You don’t look like you need to do anything for beauty!” I observed, taking in her long red hair, ivory complexion, pert nose, sparkling green eyes, and sensuous mouth.

“Thanks,” she acknowledged, modestly lowering her eyelids for a moment. “What brings you here on a day like this?”

For some reason, I felt comfortable telling her ev-

erything, including the part about the breakup with my last lover...who happened to have been another girl. The girl didn’t look shocked when my bisexuality became evident.

A few minutes later, I learned why. Wendy—by now I’d learned her name, as well—was bi too. But as we sat on the sand, talking, that cloud bank made its presence known, first by covering up the sun, then by dropping fat raindrops on us. It wasn’t a hard rain, just a soft shower, but even that was unpleasant on a chilly, windy day such as that. “Wanna sit in my van and keep talking?” I asked as we scrambled to our feet.

So Wendy and I sat in my van, where I had a thermos full of hot chocolate I’d had enough foresight to bring

“I decided to momentarily abandon my own quest for climax in favor of helping her. I concentrated on making the experience the best I could for her. Sliding one hand between her breast and mine, I fondled and tweaked her warm, stiffened nipple...

along. We shared the warming drink and kept on talking. Then Wendy, making a point about something, dropped her hand to my knee for a minute for emphasis. I felt a spreading glow at the point where she’d made contact. A minute later I contrived to do similarly, putting a hand on her arm as I spoke.

I thought I felt a ripple pass through her body. So instead of taking my hand away, I left it there, then squeezed her arm a little bit, then finally grew daring enough to begin to stroke her arm. To my pleased amazement, Wendy leaned toward me, plastered her lips to mine, and spread her lips wide, carrying mine with them. The next thing I knew, her tongue was in my mouth.

“Let’s get in the back, where there’s more room,” I suggested, my voice suddenly hoarse with lust.

It was a more public place than I was used to having sex, but the parking lot was all but deserted—there were no cars at all nearby—and right then, the risk seemed worthwhile. We stripped, and I lay on top of Wendy, feeling her petite boobs flatten against my own, larger boobs, as we lay nipple-to-nipple. Her strawberry nubbins stiffened against my own cinnamon nips, and I found myself grind-

ing against her without deliberate intent.

I shifted my lower body so my pelvic bone was just off-center of hers, and I had one thigh between her legs while one of her thighs was similarly lodged between my legs. We continued humping together in that position. As we ground needfully against each other, we kissed deeply again, and Wendy insinuated one of her hands between one set of mashed breasts to deliciously tweak my elongated nipple and stroke the bumps of my areola.

“What do you like to do?” she husked, her hand toying with my buzzing nipple.

“In bed?” I asked, my pelvis thrusting hard against Wendy’s obliging thigh, which she raised to provide the pressure I was seeking.

“Of course!” she chuckled, hunching hard against my own thigh.

“Well...oral. And I have a great toy collection....” I could picture the drawerful now, could picture the two-headed dildo joining us while I used a vibrator on Wendy’s nipples at the same time.

“But not with you. Or did you bring those along with the cocoa?” She laughed again, desperately digging hard against me, breathless in her urgent fuck-motions.

“No, but I brought my tongue.”

“And I brought mine.” She smiled, though her brow was furrowed with the effort she was making to reach a climax she obviously needed as badly as I did. “We’ll have to use them for round two.” And she thrust up against me again, gyrating her hips and bumping lewdly and needfully against me. Obviously she intended for us to reach one climax just the way we were. Well, that was fine with me. I was already more than halfway there.

I moved slightly, adjusting my position so I could get more clitoral pressure going, then drove myself against Wendy harder than ever. She, meanwhile was clearly close to coming. A steady stream of sexy noises issued from her mouth. There were squeals, moans, gasps, groans, and occasionally there were profanities as she struggled hard to get off and felt the need and the pressure building ever higher.

I decided to momentarily abandon my own quest for climax in favor of helping her. I concentrated on making the experience the best I could for her. Sliding one hand between her breast and mine, I fondled and tweaked her warm, stiffened nipple and urged her, “Do it, honey. Do it. Come for me. Give it to me. Come for me. C’mon. You can do it. C’mon. Come for me. Get off.” And as I talked her up to the mountaintop, I dug my thigh harder than ever against her squirming, writhing pelvis.

“I—I’m gonna—I’m gonna—oh—ohmigod!” Wendy stiffened till her body was like concrete, arched upward beneath me, and began trembling.

“Yes—yes—yes!” I urged her, grinding even harder

against her squirming body.

“Yes—yes—yessssssss....” she echoed, her whole body shuddering, then slowly relaxing as she sobbed aloud in relief.

Hornier than ever now, I dug my own pelvis against her thigh. My pussy was throbbing as if there were a bass amplifier inside it. My clit pounded to the beat; the whole inside of my pussy quivered. I squirmed and rocked and ratcheted. I squealed. I gasped. Wendy was still whimpering in the aftermath of her climax, but I was driving hard toward mine.

Recovering slightly, she focussed on the situation. Her body came back to life, and now it was her turn to drive me on. “C’mon, honey. Get off. Get off. Your turn. Come for me. Come. Come. Come. Come,” she urged me rhythmically, almost hypnotically. I felt her thrusting her thigh against my juice-slickened pussy as hard as she could, and I ground against that thigh as hard as I could. With teamwork like that, I was soon hovering on the precipice.

And in another second I was there, seeing colors and hearing the blood pounding in my ears as a glorious climax grabbed hold of my body and shook me in its grip.

But all the thrusting that Wendy had done to help me get off had gotten her started on her way toward another orgasm. “Eat me,” she begged. “Go down on me...please.”

The position was damned awkward, but she spread her legs so one was on the seat and the other hanging to the floor, while I wedged myself between her legs, with one knee on the floor and the other up on the seat. Uncomfortable, awkward? You bet! Worth it? You’d better believe it, when there’s a pussy as juicy and tender and sweet as Wendy’s.

Her juices were running slickly out of her hole, warm and thick and syrupy, coating my chin and cheeks and

forehead and nose. I was a dripping mess and revelling in it. I buried my whole face in her sloppy slot and deliberately got as messy as I could. Then I put my tongue to work.

First I sent it squirming its way up her juice-lubed canal, probing and twisting and delving as far as it could reach. Then, when she was squirming on the seat so hard I was afraid she’d fall right off, and she was begging me to pleeeeeease get my tongue out of her pussy-hole and on her clit, I withdrew...only to tease her some more.

Pulling my tongue out of her slick depths, I skit-

tered it across the landscape of her outer pussy area...but deftly avoided her clit, tonguing up and down her labes instead. Wendy groaned and called me a torturer, and I chuckled at the truth of it. I was working her way up to greater pleasure by making her struggle for it first. The harder she had to work to get off, I knew, the better her climax would be when she finally got there.

And she was getting there fast, despite my deliberately withholding what she most wanted—tongue action on her clit. As I swiped my tongue up and down her lust-thickened labes, she squirmed and writhed on the seat, thrusting her pussy up into the air, gyrating ever more wildly, and sending herself careening nearer and nearer that edge she was seeking.

At last I took pity on her and directed my tongue to her scarlet clit. At the feel of my tonguetip touching down on her clit-tip, she shivered wildly, made an inhuman-sounding, totally indescribable sound, and pushed her bush up into my face, grinding her coarse muff against my lips and nose and chin. And came.

Let me tell you, it was one hell of an eruption. I tried to stay with her and keep my tongue fluttering right on her wildly pulsating clit, but instead of stiffening and holding the position, with this climax she kept moving, pumping her pussy up and down, straining upward but then lowering her butt only to raise it again. I tried my damndest to follow her motions, but it was like trying to keep up with a tidal wave.

At last she sank back on the seat. “I’ll do you in a minute,” she gasped.

“I’ll wait. Relax. Enjoy. Ride it out,” I reassured her. I ran my thumb over her clit until the aftershocks subsided. By now I was one sticky mess...and hot as 2 PM in an Arizona August.

But rather than urge her to do me there and then, I had a better idea. “Why don’t you get dressed, get in your car, and tail me home? I have a chicken in the fridge I could put up for dinner for us, and while it’s roasting, you could see about evening up the score...and then I could get out my double dildo and we could see where that leads.”

“Best offer I’ve had in a long time...if you’re sure it’s not any trouble.”

We had such a good time in bed, the chicken almost overcooked, but I rescued it just in time. When I suggested I eat Wendy for dessert, she protested she didn’t have another climax in her, but by the next evening, when I went to her house for dinner, she seemed to have “restocked” very nicely. We got each other off three times each and explored her toy collection.

“Joan’s beach.” It always was my special place. I guess it still is. Who says a windy, chilly day in October is no time to go to the beach? I say you can have a wonderful time...even if it’s raining!

LESSONS IN LUST

Swallowing the prof's scuzz

One minute, Professor Williams was just sitting there across from me. The next, he had grabbed my hand and ground it into his lap. His cock was hard, straining against the front of his pants. I stroked and squeezed it through the stiff fabric. Then he unzipped his fly and hauled out his cock. The deep red head was oozing precum, making it wet and sticky to the touch. I stroked along his shaft, feeling each beat of his heart as the blood rushed through the bulging vein.

"Suck it, please, Lauren," he pleaded.

My heart pounded in my chest, and a tingle of excitement swept through me. I had never given head, despite the numerous desperate pleas from boys back in high school. But I

wanted to. I could only imagine how good it would feel to have a hard, hot cock sliding onto my tongue.

Professor Williams got up and locked the door, then sat down on the edge of the sofa. He spread his legs wide and pointed at his quivering cock. "Come on, don't be a tease. I'll make it worth your while," he promised.

Because Professor Williams was such a hottie, I didn't hesitate. I moved between his thighs. I let him unbutton my blouse and slide it off over my shoulders. Then he unfastened my bra, his eyes widening as he took in the sight of my pert young boobs.

"Take off the rest," he coaxed, licking his lips. His hands came up to squeeze and pinch my boobs, especially the pink tips, while I unzipped my jeans. I eased them down slowly.

I admit that I was a little nervous. I had never stripped for anyone like this, especially in the daylight. I peeled my pants down until they pooled around my ankles, then stepped out of them. My hands dropped down, instinctively cov-

ering my nakedness. I just wasn't used to being looked at—at least not there.

He smiled and moved my hands away. "So innocent, so beautiful," he whispered.

He slipped his hand between my thighs, lightly caressing my hot, wet slit. Then his fingertips sought out the quivering entrance to my body. He fingered my slit again, this time rubbing my swollen clit until my knees trembled. I was already close to coming! I'd never been turned on so quickly, so expertly. His fingertips circled my clit, rubbing gently, insistently.

I came suddenly, the most powerful orgasm of my life ripping through me. I dropped to my knees, my head spinning with excitement. He brushed my hair back away from my face, running his fingers through my light brown curls. Then he guided my face into his lap. I nuzzled his cock, rubbing my face against the thick shaft.

"Suck it," he coaxed again, this time twisting his fingers in my hair. I allowed him to direct me and eagerly

pressed my lips to his pulsating cock. I kissed along the bulging blue vein, flicking my tongue against his cock again and again. His body trembled with each contact, as though every touch was sending a bolt of lightning to the very center of his being.

At first I only nuzzled his loose sac. I was a little nervous about touching him, since I didn't want to do anything to hurt him or to spoil the moment. I caressed his jewels, bouncing them lightly in my palm. When he didn't protest, I kissed and lapped them with my tongue. I took first one and then the other into my mouth, swirling my tongue over and around them. He moaned in appreciation and spread his legs even wider. I scraped my teeth gently against his tender flesh, then released it from my mouth.

Finally I returned my attention to his cock, letting the hot, slippery head slide onto my tongue. "Oh yeah, that's the way," he coached. "Take it all. I have to come," he said, bucking his hips upward.

I just couldn't pull away as his cock dived deeper and deeper into my throat. I gagged and gasped for air until he pulled back and allowed me time

to catch my breath. Then his cock once again plowed into me, banging against my tonsils. He held my face firmly in his lap as he jabbed his cock into my mouth over and over again. I swirled my tongue over and around the thick intruder, then swallowed, squeezing and massaging his cock. He moaned and rammed into me with more urgency. It was all I could do to keep from gagging when his cock blocked my airway again and again.

Then his cock began to jerk and twitch in my mouth. His hot cream blasted against my tonsils and trickled down my throat, giving me my first taste of cum. I kept my lips locked around the squirming monster until every drop of cum had erupted into my mouth. Then I reluctantly released my captive, letting it slide from the corner of my mouth.

I swallowed hard, then looked up at him. He smiled and slipped his hands under my arms, pulling me close to him. He pressed his lips to mine as his hands caressed my naked body, igniting tiny fires on my skin and making my pussy hot and wet.

I had only been in college a few weeks, but I had already learned more

than I had in all my 18 years. I hoped this was only the beginning. With any luck, Professor Williams would have more time to teach me the lessons a girl needs to learn.

SWINGTOWN

It's not for everyone, but it's for us!

My wife and I are both in our middle forties and we've had a good life. Like almost every couple out there, our romance has cooled over the years and we've tried to find ways to perk it up. Recently, our sex life has picked up so dramatically. Janine had always dressed rather conservatively, but for the last few months her skirts have gotten shorter and shorter since she's been working out her legs.

We joined a "swinger's club" that we found near our neighborhood and have dabbled in sex with other couples. Every time afterwards we talk about it so we're sure that is something we want to continue with.

BLAIR-NTS-10

Last weekend, I was surprised when late in the day, I saw her going into her sewing room, carrying a pair of jeans. Lately she had mostly used that room to shorten her more conservative skirts. When she came out an hour or so later I understood. She was wearing the jeans but they were now sexier than if she were naked because she had cut off the legs so they were even shorter than daisy dukes. They almost completely exposed her mons and her pussy, then she turned around revealing most of her butt cheeks.

Eventually everything was ready for the eve-ning. The the door bell rang and Janine went to open the door, dressed only in her daisy dukes. Janine opened the door wide giving any neighbors who might happen to be passing an eyeful. On the doorstep were Keith and Arlyss and Sloan and Adelle. They all were dressed similarly since our theme party was nautical. Keith's and Sloan's wore captain's outfits while the two women were dressed as Wacs. We later found out that no one was wearing anything else under the uniforms.

They all came in a Janine closed

the door behind them. By the time they reached the living room, the clothes had come off and Janine stepped up to each of our guests in turn, hugging and kissing them, men and women both.

While she was kissing Keith and Sloan, they each slipped a couple of fingers past her barely there jeans and into her pussy. I stepped forward and hugged and kissed the now naked girls and while we kissed, they squeezed my cock as I also pushed a finger into their pussies. That's how we said hello to each other. It's an instantaneous ice breaker.

We all gathered in the living room and discussed how we should proceed. Janine had baked and made some cold treats which we could eat at any time, so we agreed to start with some fucking straight away, then pause while we enjoyed the meal, before completing the evening with more fucking and sucking. There was no pretense to what was going to happen and it made many possible awkward moments much less awkward.

Arlyss wanted me to fuck her, so we went first, while every one else stood nearby and watched. Earlier in

the day we placed a mattress in the middle of the living room floor, so I lay on my back on the mattress, pulling Arlyss on top of me. Arlyss must have been really aroused because my erect cock slipped into her wet pussy with ease.

Janine picked up a new tube of lube from the coffee table, squeezed some onto her fingers and plunged one finger into Arlyss' butt hole and wriggled her finger around inside Arlyss's back end. Then Janine inserted a second and third finger into her rear entrance and with the other hand called everyone onto the mattress and the party was on. Just like that.

We squirmed around the mattress all night like lions on fallen prey and we men stuck our fingers, tongues and cocks into any pussy, ass or mouth that was available at the time. The women were just as wanton sucking and mounting any cock within arm's length. We only took breaks to have a snack before getting back into the sweaty group grope. Yes, we can now say our sex life has improved. It may not be for everyone, but we like it.
